

Your 10 Step Guide to the Perfect Tan

1. Wax/Shave your body at least **24** hours before your session.
2. Exfoliate your skin using the *Versa Spa Cleansing Body Wash and Exfoliator* or the *Dermasuri Deep Exfoliating Mitt*. Focus on dry spots such as the hands, feet, elbows, and knees.
3. Come in wearing loose clothes with no products on the skin. Avoid using makeup, lotion, and deodorant.
4. Prep the skin with our *Versa Spa Intensifying Primer* for a **long lasting** and **even** finish!
5. Consult with your tanning therapist to help pick between our various shade ranges.
6. Take advantage of our disposable under garments, hair nets, nose plugs, eye covers, foot padding and blending cream before entering the *Versa Spa Pro*.
7. Follow the instructions as it guides you through the steps while it tans and dries you from head to toe.
8. Let the product sit for the next **4** to **8** hours avoiding water and activities causing you to sweat.
9. Enjoy the **instant** results of **beautiful sun kissed skin**.
10. Book your next appointment!
